**What is Voluntary Long Term Disability Insurance?**
Voluntary Long Term Disability Insurance pays you a portion of your Earnings if you cannot work because of a disabling illness or injury.

**What is disability?**
Disability is defined in The Hartford’s contract with your employer. Typically, disability means that you cannot perform one or more of the essential duties of your occupation due to injury, sickness, pregnancy or other medical conditions covered by the insurance, and as a result, your current monthly earnings are 80% or less than your pre-disability earnings. Once you have been disabled for 24 months, you must be prevented from performing one or more of the essential duties of any occupation and as a result, your current monthly earnings are 80% or less than your pre-disability earnings.

**Am I eligible?**
You are eligible if you are an active full time or part time Employee as defined by your Employer.

**How much coverage would I have?**
You may purchase coverage that pays you a benefit of 60% of your Earnings to a maximum monthly benefit of $10,000 per month. This plan includes a minimum benefit of the greater of: 10% of the benefit based on Monthly Income Loss before the deduction of Other Income Benefits or $100 per month.

Earnings are defined in The Hartford’s contract with your employer.
