Discover the long-term benefits of deferred compensation

Whether you’re just starting your career, winding it down or anywhere in-between, you have Nationwide® to help you prepare for and live in retirement.

Five ways to get the most out of your Plan

1. **ENROLL** in just minutes. Our online process is easy and intuitive.

2. **MANAGE** account decisions quickly. Most forms are centrally located, so you can find and download the one you need in seconds.
   » Set up an online account
   » Make or update beneficiary designations
   » Welcome incoming assets
   » Select distribution options

3. **INTERACT** with tools like:
   » My Interactive Retirement Planner℠—Discover whether you may be growing a financial gap for retirement and what you can do now to potentially eliminate it
   » Peer Comparison—See how much people like you are saving for retirement
   » My Health Care Estimator®—See how health care costs can affect a retirement budget and get an estimate of what yours might be

Depend on these resources to help you get the most out of plan participation

4. **WATCH** videos that can help you understand why you should consider saving, investing and preparing for retirement through your 457(b) plan.

5. **BROWSE** our Learning Center, designed to help you get more out of plan participation.

For personal assistance with any step of Plan participation, **SCHEDULE AN APPOINTMENT** with a Nationwide Retirement Specialist.

Investing involves market risk, including possible loss of principal. No investment strategy can guarantee a profit or avoid loss. Actual results will vary depending on your investment and market experience.
