What’s the BIG news?
A reminder: Anthem is changing their pharmacy benefit manager as of July 1st.* All members on the plan as of March were sent updated enrollment cards that reflect the new pharmacy information. Remember, ONLY the info on your new cards will be valid at pharmacies as of July 1st, so please take a moment to review your cards to ensure you’ve got the most recent version. HOW to tell you’ve got the most recent version? Go HERE to view the updated information that applies to your plan. You can also login to your Anthem.com account (or your Anthem mobile app!) to verify the card information.

*Where can you learn more details about what is changing, what isn’t changing, and why? Go HERE

What else should I know?
- Open Enrollment: No more summer Open Enrollments! Our annual benefits Open Enrollment period is now in NOVEMBER
- LTC (long-term care) insurance: after a hiatus of several years, the Virginia Retirement System will once again hold a special enrollment period for LTC coverage in the fall – and you don’t have to be an active VRS member to purchase the coverage! You’ll hear much more about this in a few months, but go HERE If you’d like to learn details about the coverage

For more information about your employee benefits, our web pages are always available when you are at: https://ia2010.albemarle.org/EmployeeResources/Benefits/SitePages/Home.aspx

Please do not reply directly to this email. If you have questions, please contact Human Resources at 296-5827 or benefits@albemarle.org
