What's the BIG news?:

Last weekend was a rough one for many of our colleagues, so we're extending the Open Enrollment period until midnight of Sunday the 20th in order to give everyone a few more days to consider your options, review your information in the online system, enroll in a Flexible Spending Account (FSA) for next year and make any changes you wish to your current lineup of benefits.

How can I learn more about my options or get assistance during Open Enrollment?

The Open Enrollment info site [**HERE**](#) is your gateway to all things Open Enrollment. You can:

- View (and listen to) our Open Enrollment presentation **online** – 24/7!
- Learn when/where you can get help on a walk-in basis, or schedule personal Open Enrollment assistance appointments
- View rates and plan comparisons
- Link to the online Open Enrollment system

For more information about your employee benefits, our web pages are always available when you are at:
